**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support More Competition in the Internet Access market, not Less!

Newer technologies, and privacy protections are important to me, and those are delivered by local community network type Internet Access operations.

I say NO to price hikes that will increase the cost of internet and telephone services.
